Swim Program * All students have the opportunity to participate in DAILY swim lessons at our on-site Child-Designed Swimming Pool!*

Optional daily swim lessons are offered to all children who are potty trained. The daily swim classes are 30 minutes in duration with 6 children per certified swim instructor. In addition, there are 2 lifeguards and a teacher from your child's classroom at the pool to supervise all classes. Any child under the age of 4 years is required to wear a re-usable swim diaper. These special swim diapers can be purchased in the office for \$15 each. * Please note children MUST be 100% potty-trained to participate in the swim program. For children at the Bell campus, transportation will be provided to and from the Peck campus for the swim lesson at no additional charge.

TennisKids *Coach Jeff will offer his optional tennis classes during both summer sessions*

With a program that emphasizes the positive aspects of each child's game, TennisKids is a perfect introduction to a lifelong enjoyment of the game. We bring the Montessori philosophy to the tennis court with various games and materials that will reinforce each weekly lesson. Our goal is to promote social skills, sportsmanship and small and large motor development.
