

Montessori School of Manhattan Beach

February 2012

Happy February everyone!

January was a very busy month, and it went by very quickly! It was very nice to have a chance to sit and chat with all of you during conferences. We hope we were able to convey to everyone how proud of your children we are, and how wonderfully they are all progressing. Thank you all for remembering to drop off your children quickly and quietly at the front door. It is such a small thing, but it really helps to keep the children productive and focused.

This month is re-enrollment month! All packets need to be filled out and returned to the school by February 10th. We have many exciting things happening this month including a brand new unit of study on birds, and a Valentine's Day party. More details coming soon...
