

Montessori School of Manhattan Beach

February 2012

Dear Parents,

We had a great month of January! The children were so happy to be back at school and learn about our Solar System. We had so much fun learning facts about each planet and naming them. I loved hearing the children talk to each other about which planet is the hottest and why Pluto is no longer a planet. We also talk about astronauts like Neil Armstrong and Buzz Aldrin. I think this has been their favorite unit thus far.

Important days:

- *Tuesdays -Spanish @ 9:30am
- *Mondays & Wednesday Tennis Kids
- *Fridays -Music / Share days

February important Dates:

- *Thursday Feb 16th- YAA
- *Tuesday Feb 14th – Valentine’s Day exchange
- *Monday Feb 20th- NO SCHOOL President’s Day

For the month of February we will be talking about Love and Friendship and to correlate with our YAA we will discuss Gee’s bend Alabama. Along with this unit we will have our Valentine’s Day celebration. This is where the children exchange Valentines to their friends in class. February will be a busy, short, but filled with fun !

Sincerely,
Ms. Christine
