Gung Hay Fat Choy! Happy Year of the dragon!

We had such a fun month of January! The kids really enjoyed learning about the Solar System. The Chinese New Year parade was a huge hit! It was so great to see the kids get excited about learning about other countries and their traditions. We had some really cool art projects to accompany our theme. We would also like to thank all of the volunteer parent readers. The children love having you come in. We had a great visit from Mr. Valentine and all of his animal friends. We love those hands-on learning experiences. Finally, I would like to say how great it was meeting with all of you for conferences. You should be very proud of how well your children are doing. They make my job so much fun!

*This month we will study: Our emotions and senses, Vincent Van Gogh, Asia, and listen to Love Songs.
