

MONTESSORI SCHOOL

OF MANHATTAN BEACH, RANCHO PALOS VERDES

JUNE 2010

Dear Parents,

May flew by and we are approaching the end of the school year! We were busy learning about "The Jungle" and the names, sounds and body parts of the wild animals that live there. The children enjoyed preparing their mommy's presents and handprints that were given away during the Mother's Day Tea! Thank you to all the moms for making this event a success! Thank you to all of you for donating towards our awesome Disney basket auction piece and for the delicious cakes! The children had a great time painting the chair that was sold in the silent auction at the carnival!

Last week the children released the butterflies after they experienced the transformation of them from caterpillars (metamorphosis).

Unit of Study:

- ❖ This month we will continue learning about "The Jungle" and more wild animals. Also the children will be practicing for our "Spring Sing Recitals." We hope you will be able to join us on this fun day.
