## February 2012

Dear Parents,

We are in the second month of the year 2012. The children are working hard on their journals and everyone shows great improvement in their work.

Thank you for taking some time off from your busy schedule to attend your conference. We will be working with your child to attain the goals we planned. It was nice to talk to all of you and thanks for appreciating our work.

Our class will celebrate Valentines day. Each child will pick a secret "Valentine Friend". Your child will tell you who she/he got as a secret "Valentine Friend". Then you will help her/him to wrap a gift that she/he will bring to school on Valentines Day, February 14, 2012. It should be something that he/she can use in the classroom. { pencils or colored pencils in a pencil case, erasers, coloring books, books, crayons, markers, lined paper, scissors in a case, colorful journal, etc. are good examples of what to give } Your child also needs to bring 35 signed Valentine Cards on Monday, February 13th, 2012. [Please give it to a teacher.] They do not need to write the names of their friends on the envelopes. Once again we thank you for all your support and cooperation. We value and appreciate your help.
