

MONTESSORI SCHOOL

OF MANHATTAN BEACH, RANCHO PALOS VERDES

JUNE 2010

Dear Parents,

Well, this is it folks; the last newsletter of the year! May was such a fun month. We had a wonderful time having all our mom's here for tea. Thank you to everyone for taking the time out to come and spend some time with us! We loved listening to the Mariachi band on Cinco de Mayo. The carnival was a blast. I think we all agree that our basket turned out wonderfully! Thanks to all of you who volunteered to help out.

This summer we will be studying the Garden. They are looking forward to learning about insects, plants and nature. We have so many fun outdoor activities planned. We hope you can all join us on Fridays for our outdoor picnics.

We'd like to thank all of you for such a wonderful year. We had such a great time getting to know all of you. Thanks for your support all year, all the donations, all the time you spent helping out and sending your kids with all our requested accessories each day. If you are moving on, good luck in the future and keep us updated!

Monthly Themes:

- ❖ This month we will continue studying the ocean and listening to Rock music
