

Montessori School of Manhattan Beach

February 2012

Dear Parents,

We hope everyone has had a great beginning to the New Year. January flew by and was a very exciting month for us. We learned all about reptiles. We also talked about good hygiene and how to take care of our bodies by eating healthy, exercising and keeping ourselves clean. We talked about visiting the doctor and the dentist to make sure that our teeth and our bodies are healthy too.

We also learned about the famous artist “Renoir”! To top off our month we were lucky enough to have a visit from Mr. Valentine and all of his amazing animals. What a treat that was!
