

*You are invited to come watch classes at any time. Your comments and suggestions are always appreciated.*

## TennisKids

P.O. Box 7000-458  
Redondo Beach, CA  
90277

310-316-5628

TennisKids utilizes the Montessori philosophy and was developed by experienced Montessori teachers. Each child will receive a free TennisKids t-shirt and hat. T-shirt sizes are listed on the registration forms.

With a program that emphasizes the positive aspects of each child's game, TennisKids is a perfect introduction to a life long enjoyment of the game. Using completely mobile and age appropriate equipment, we are able to transform any small arena within a school into a tennis court.

We bring the Montessori philosophy to the tennis court with various games and materials that will reinforce each weekly lesson. Our goal is to promote social skills, sportsmanship, and promote small and large motor development. It also provides an opportunity for the child to build self confidence, self esteem and have a good time.

Repetition is a key factor to retention and the lessons will include a weekly review of previously learned skills as well as new presentations. Clear and simple goals to be presented will be established for each lesson. At the end of the 10 weeks, a progress report will be sent home so you can see all that your child has accomplished.

**TO ENROLL YOUR CHILD:** Complete the registration form (on the back) and submit along with a check payable to TennisKids, please write the student's name on the check. Place the check in the TennisKids binder in your child's classroom or send to TennisKids. Enrollment is limited. Registration must be complete to reserve a spot in the class. Please call TennisKids if you have any questions.

**PLEASE NOTE:** For your child's safety, all students are required to wear tennis shoes during their lesson.
