

# a montessori summer

## join us for a **montessori summer** of art, music, food, drama & fun

### summer program

As well as our regular Montessori program during summer each class will study a different country, as well as a composer and an artist from that country. The children will explore the **culture, art, music, food** and **drama** within the country they are studying. Each day in the Montessori Summer Program will be an educational, fun and memorable experience, filled with carefully coordinated musical and visual excitement.

### art projects

Art projects will explore variations in color, texture, and composition through activities like weaving a colorful loom, painting classroom murals, and hand-making musical instruments.

### drama activities

Drama activities will range from poetry and storytelling to skits and mini-plays.

### live performances

The children will also be treated with live performances from guest artists.

### swimming lessons

Daily swimming lessons are also available.

### tennis kids

Coach Jeff will be offering his optional tennis classes during both summer sessions.

## swim program

All students have the opportunity to participate in **DAILY** swim lessons at our on-site **Child-Designed Swimming Pool!**

Optional daily swim lessons are offered to all children who are potty-trained. (Since space is limited, swimming spots will be awarded on a first-come, first-served basis.) The daily swim classes are 30 minutes in duration, with 6 children per certified swim instructor. In addition, there are 2 lifeguards and a teacher from your child's classroom at the pool to supervise all classes. Our certified staff of swim instructors focus on building a foundation of trust and gentleness, which allows the children to learn and develop swimming techniques at their own pace.

**Any child under the age of 4 years is required to wear a reusable swim diaper.** These special swim diapers can be purchased in the office for \$12 each.

For children attending the Bell Campus, transportation will be provided to and from the Peck Campus for the swim lesson at no additional charge.

Pricing is based on a flat rate for each session (with swimming in July starting the second day.) There will be no prorating for days missed due to illness or vacation.

**Please note children MUST be 100% potty-trained to participate in the swim program.**
