

a montessori summer

join us for a **montessori summer** of art, music, food, drama & fun

summer program

As well as our regular Montessori program during summer each class will study a different theme, as well as a composer and an artist. The children will explore the **culture, art, music, food and drama** within the theme they are studying. Each day in the Montessori Summer Program will be an educational, fun and memorable experience, filled with carefully coordinated musical and visual excitement.

art projects

Art projects will explore variations in color, texture, and composition through activities like weaving a colorful loom, painting classroom murals, and hand-making musical instruments.

outdoor activities

The children will have weekly tennis, nature hikes, water play, oceanview picnics and gardening. Drama activities will range from poetry and storytelling to skits and mini-plays.

live performances

The children will also be treated with live performances from guest artists.

2010

Montessori Summer Program

Children ages 18 months to 9 years

Session 1 | July 6 – 30

Session 2 | August 2 – 27

32201 Forrestal Drive

Ladera Linda Community Center

Rancho Palos Verdes, CA 90275
