June is here!!!! It is hard to believe that it is already the end of the school year.

Time flies when you're having fun. It has been such a smooth and successful school year. The teachers are going through and reviewing all of the things that the children have learned throughout the year and are also hard at work on their Spring Sing performances.

**Emergency Drills**

Throughout the year, each classroom makes sure to do fire and earthquake drills. The children have become very comfortable with these drills and know exactly what to do. Your child may have mentioned these drills to you at home and if so, it's a great time to discuss what to do in case of an emergency at home.

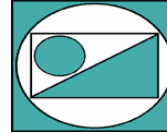

**Mother's Day**

The Mother's day tea's and breakfasts were a huge success. I love seeing all of the children dressed up and so excited to have breakfast or lunch with their moms. As a mom myself, I can say that the Mother's Day celebration is one of my very favorite days of the year. I hope all of you moms enjoyed it as much as I did.

**Montessori School**

I want to say a huge Thank You to everyone for your time, help, support and very generous donations that made our Spring Fling Carnival the best one yet. For more information on the "Montessori Education Foundation of the South Bay" please go to: [montessorimbrpv.com](http://montessorimbrpv.com).

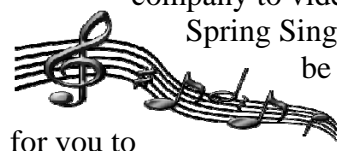

**Father's Day**

To all of you dad's out there!! Make sure to keep your eyes posted for information on the Father's Day celebrations. Each classroom does their own individual event, so make sure to look around your child's classroom or in their file folders for your special invitation.

### Yearbooks

Yearbook order forms will be sent

home on June 2<sup>nd</sup> and will be due back no later than June 11<sup>th</sup>. I have seen them and they are beautiful so you won't want to miss out on ordering your own.

The last day of school will be on Thursday, June 24<sup>th</sup>. Some of the classrooms will do an end of the year celebration. Make sure to check your child's classroom for more information.

Summer school will begin on Tuesday, July 6<sup>th</sup>.

For those of you that are attending our Summer Camp, we have lots of exciting activities planned. The teachers are already getting their lesson plans done and it looks like a lot of fun.

If you have signed up for swimming lessons, please remember that all children need to be completely potty trained as of June 1<sup>st</sup> in order to take swim

lessons in July. If your child is under the age of 4, they need to wear a reusable swim diaper. These can be purchased in the office for \$15 or you may be able to find them at Target or Baby's R Us.

Finally, I would like to thank all of the children and their families that are leaving us, to have a great summer and good luck at our new schools. We will miss you. Don't forget to come back and visit. And also, I want to personally thank everyone for all of your support during this school year. Having such amazing families to go along with these great children makes our jobs so much easier and very enjoyable. We are looking forward to a super summer!

Thanks Again,

Traci Sell
